

A7 (Standard Colors)

Take Advantage of the Benefits

Our innovative **Compression Flex Technology** is designed to give you the ergonomic advantage of improved blood flow to reduce fatigue, with the added protection of shock absorption to lower stress

The advanced **Versatile Interlock System** allows for ease and efficiency during installation and future modifications

Manufactured with **100% Recycled PVC** for waste reduction and prevention

Ergo Advantage Six Inch Tiles

- Enhancing safety initiatives such as 5S & 6S programs
- Provide a more durable alternative to tape and paint
- Clear tiles allow for under mat lighting
- The underside leg structure provides clearance for air lines, cords, and hoses, thereby eliminating trip hazards

Dimensions: 6" x 18" x 1" (at highest point)
Weight: 1.5 lbs
Composition: 100% Recycled PVC
Warranty: Lifetime warranty against manufacturer's defects

Part Number:
A7 (Standard Colors)
A8 (Female Edge)
A9 (Male Edge)
